

LES VINYES FORER MASSARD

Bellesa Perfecta White 2023

The Name

We feel that even for a wine that is filled with history and tradition that every fine wine should be delicious. That's why we called this wine Bellesa Perfecta - which means Perfect Beauty - the words themselves bring visions of smiling and joy. We hope you feel the same way when you drink it.

The Label

The shell is a natural occurring object that evokes beauty - in it's symmetry and soft round flow. In addition, for wine a shell can bring thoughts of minerality - an aspect of all our wines that we are pleased they show.

The Vintage

The growing season of 2023 was the first year that showed the impact of a serious drought that had started the previous year in the Priorat. While we had just enough rainfall to allow for sufficient vigor to grow complete bunches, our berries were smaller, and the result was a decrease in yield of about 15% from normal.

The Winemaking

Pressed whole bunch, and fermented in primarily stainless steel. We performed batonnage for a 2 week period post fermentation to broaden the mouthfeel. Every effort was made to keep oxygenation low, to preserve the fresh fruit character.

The Wine

With 100% Grenache blanc, with more reductive winemaking, the wine shows bright fresh fruit character. But the warmth of the vintage, along with slightly reduced yields, brings a depth of mouthfeel to the wine. Enjoy now and over the next 2-3 years.
